She saw a burly, dark-skinned man and two boys come out and weed one of the vegetable plots. It eased her mind to watch their careful work. She wished she could help them at it. The waiting and the strangeness were very difficult. Once the Doorkeeper came in, bringing her a plate with cold meat and bread and scallions, and she ate because he told her to eat, but chewing and swallowing were hard work. The gardeners went away and there was nothing to watch out the window but the cabbages growing and the sparrows hopping, and now and then a hawk far up in the sky, and the wind moving softly in the tops of tall trees, on beyond the gardens..perhaps it's an ordinary gift for shaping and transformation. He found himself standing two feet back, his hands stinging and his ears ringing and his eyes dazzled. The lightning was in Rose's eyes, and her hands sparked as she clenched them. "Never do that again,"

she whispered..a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese..Ivory never noticed that the girl was ailing, nor the pear trees, nor the vines. He kept himself to himself, as a man of craft and learning should. He spent his days riding about the countryside on the pretty black mare that his employer had given him for his use when he made it clear that he had not come from Roke to trudge about on foot in the mud and dust of country byways.. "Oh, are you a teller? Oh, why didn't you say so to begin with! Is that what you are then? I wondered, it being winter and all, and you being on the roads. But with that horse, I thought you must be a merchant. Can you tell me a story? It would be the joy of my life, and the longer the better! But drink your soup first, and let me sit down to hear..." She looked at him in the starlight, and said, "Tell me your name - not your true name - only what I can call you. When I think of you.." shadows of the leaves.. The Archipelago became a..The boy, it seemed to me, was unpleasantly surprised, even angry, that someone dared to.. "Oh Di," she said, "it will be awful when you go.." The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth Master, never counted among the Nine. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently. Maintaining Roke as a strong centralising, normalising, pacific element in Archipelagan society, the archmages sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect communities from drought, plague, invaders, dragons, and the unscrupulous use of their art.." Anyone.." TARRY'S MALICE had left his nerves raw, and the thought of the party weighed on him till he lost..down on her haunches and hid her face in her arms, shutting him out, shutting the world out..The tall woman smiled a little. "My sister has never taught a man before" she said. She glanced at..good bed; he's tired. I'll sleep in the barn and be off in the morning. Cows are a pleasure to..The heap moved, and roused up slowly. They saw it was the curer, just as he had been, no fires or shadows, though looking very ill. "Come on," Gift said, and got him on his feet, and walked slowly up the street with him.." Are. . . are we still in the station?". "For us," said Ember. "For us who live, in hiding, neither killed nor killing. The dead are dead..very little else. It surprised him a little. He thought he ought to be homesick, to think about..He named the Masters, Hand and Herbal, Summoner and Patterner, Windkey and Chanter, and the Namer, and the Changer. "The Changers and the Summoner's are very perilous arts," he said. "Changing, or transformation, you maybe know of, mistress. Even a common sorcerer may know how to work illusion changes, turning one thing into another thing for a little while, or taking on a semblance not his own. Have you seen that?". All the teachers of the art magic on Roke were women. There were no men of power, few men at all,..the outlay and the income, the profit and the loss..there was nothing much to say about herself..In Veil's words he saw, all at once, the other side of Ember's impatience, her fierceness, her.."What brought you here, Azver?" the Namer asked. "I've often thought of asking you. A long, long way to come. And you have no wizards in the Kargish lands, I think.."..lifted at his side..going beyond certain limits they had to abandon symmetry and regularity of form, and learn from..descending from high above, the base of one of those enormous columns that had astonished me
