"Now you don't have to worry," Angel said, "about what happens to him if ever you're gone, Aunt Aggie. If he can do this, he can do anything, and you can rest easy." And now she didn't need him anymore. He gazed at her face, held her cooling hand; his anchor was slipping away from him, leaving him adrift. With a portion of his profits from Tammy Bean's stock picks, Junior had bought a second painting by Sklent. Titled *In the Baby's Brain Lies the Parasite of Doom*, Version 6, it was so exquisitely repellent that the artist's genius could not be in doubt. She was not going to be as forthright with Barty as she had insisted that Joshua Nunn be with her, in part because she was too shaken to risk forthrightness. "Better. Fear doesn't require him even to seduce a woman or to buy a bottle of whiskey. He just needs to open himself to it, and he will be filled like a glass under a faucet. As difficult as this may be to comprehend, Cain would choose to be neck-deep in a bottomless pool of terror, desperately trying to stay afloat, rather than to suffer that unrelieved hollowness. Fear can give shape and meaning to his life, and I intend not merely to fill him with fear but to drown him in it." Murmuring on the edge of sleep, Barty spoke to his father in all the places where Joey still lived: "Good-night, Daddy." The driver shook his head. "I knew everything anyone would need to know about you when I heard you ask your kid what would happen if the stupid boogeyman showed up in her dream." "That would be wrong. A diary's private." He supposed that to a detective nothing was sacred, but he was nonetheless a little shocked that Vanadium needed to ask that question. Initially, the Pacific could not be seen beyond an opaque lens of fog. Yet later, when the mist retreated, the sea itself became a portent of sightlessness: Spread flat and colorless in the morning light, the glassy water reminded her of the depthless eyes of the blind, of that terrible sad vacancy where vision is denied. Far from idiotic, Junior's cause was his survival and salvation, and he committed himself to it with every fiber of his body, with all of his mind and heart. Previously, Miss Pixie Lee had been from Texas, but Angel had recently heard that Georgia was famous for its peaches, which at once captured her imagination. Now Pixie Lee had a new life in a Georgia mansion carved out of a giant peach. In the front wall of the living room, where once had been a fine bay window, the parsonage lay open to the sunny day. Tom shrubbery, carried in from outside, marked the path of destruction. In the very middle of the room, plowed against a toppled sofa and a thick drift of broken furniture, a battered red Pontiac sagged to the left on broken springs and blown tires. A portion of the crazed windshield quivered and collapsed inward, while plumes of steam hissed from under the buckled hood. In his voice, he heard a tremor that had nothing to do with the hideous deaths in Effingham more than sixteen years previous. "You're better at concentrative meditation without seed than anyone I've ever known, better than me. That's why you, especially, should never undertake a long session unsupervised," Chicane scolded. "At the very least, the very least, you should use your electronic meditation timer. I don't see it here, do I?" "Why do they let a man like that keep his badge?" Junior asked. "He's outrageous, wholly unprofessional." "From time to time now, you're going to be written about," Helen warned. "Be prepared for a peevish critic or two, furious about your optimism." It was hard for him to lie. He thought he was awkward at it because he had no practice. Hound knew better. He knew that magic itself resists untruth. Conjuring, sleight of hand, and false commerce with the dead are counterfeits of magic, glass to the diamond, brass to the gold. They are fraud, and lies flourish in that soil. But the art of magic, though it may be used for false ends, deals with what is real, and the words it works with are the true words. So true wizards find it hard to lie about their art. In their heart they know that their lie, spoken, may change the world. Victoria Bressler lay on the floor of the small foyer, left arm extended past her head, palm revealed, as though she were waving at the ceiling, right arm across her body in such a way that her hand cupped her left breast. One leg was extended straight, the other knee drawn up almost demurely. If she had been nude, lying against a backdrop of rumpled sheets or autumn leaves, or meadow grass, she would have had the perfect posture for a Playboy centerfold. She only half understood their frantic conversation, partly because the ability to concentrate was draining from her along with her lifeblood, but also because she was distracted by Joey. He was no longer in the wreck, but standing at the open rear door of the ambulance. Curiously, reciting these facts usually calmed him, as though speaking of disaster would ward it off. Since Friday, however, he had found no comfort in his usual routines. From the chair in the corner, where Agnes sat, it seemed that Joshua took an inordinately long time on what was usually a quick examination. Worry so weighed on her that the physician's customary thoroughness seemed, this time, to be filled with dire meaning. Hound meant well in sending the young man to Samory, but he did not understand the quality of Otter's will. Nor did Otter himself. He was too used to obeying others to see that in fact he had always followed his own bent, and too young to believe that anything he did could kill him. Perhaps he would not have leaped along this chain of conclusions if he'd not been an admirer of Caesar Zedd, for Zedd teaches that too often society encourages us to dismiss certain insights as illogical, even when in fact these insights arise from animal instinct and are the closest thing to unalloyed truth we will ever know. If Junior was not discreet, and if gossip about the widower Cain and the sexy nurse began to circulate, Vanadium would be on the case again even if it had been closed. The cop was sick, hateful, driven by unknowable inner demons. Although he might for the moment have been reined in by those in higher office, mere gossip of a spicy nature would be excuse enough for him to open the file again, which he'd surely do without informing his superiors. Stopped by to help Agnes, and some offered to stay with her at night. She gratefully accepted assistance with the housecleaning, laundry, and shopping, but she declined the all-night company because of her dreams. The girl smiled, as stunningly beautiful as he remembered her, but she was no longer fifteen, as she had been when last he'd seen her. Since her death in childbirth nearly three years ago, she'd matured and grown lovelier than ever. Joey was standing just outside, gazing in at her. His blue eyes were seas where sorrow sailed. Force open Edom's mouth. "Eat your sin, boy, eat your sin!" Edom resists eating his sin, but he's afraid for his eyes. This time he didn't flip the quarter straight into the air. He tipped his hand, and with his thumb, he shot the coin toward Agnes. And had Phimie, retrieved from death by the resuscitation procedures of the surgical team, repaid Nella's kindness with her own stunning message to Lipscomb? "Other Bartys and other Agneses in other houses like this—all here together now." Now that efforts were being made to control the preeclampsia, Dr. Daines had scheduled a series of tests for the following day. He expected to recommend a cesarean section as soon as Phimie's e's blood pressure was reduced and stabilized, but he didn't want to risk this surgery before determining what complications might have resulted from her restricted diet and the compression of her abdomen. With Naomi, sex had been glorious, because they were bonded on

multiple levels, all deeper than the mere physical. They had been so close, so emotionally and intellectually entwined, that in making love to her, he'd been making love to himself; and he would never experience a greater intimacy than that.
