Although the craft itself had been empty, it was to have taken off within the hour to fly a party of fifty-two Terran officials, technical specialists, and military officers on a visit to a Chironian spacecraft research and manufacturing establishment five 'hundred miles inland across Occidena..Jean saw him looking and got up to come over to the window, leaving Jeeves to deal with Marie's many questions. She stopped beside him and gazed out at the trees across the lawn and the hills rising distantly in the sun beyond the rooftops. "It's going to be such a beautiful world," she said. "I'm not sure I can stand much more of this waiting around. Surely it has to be as good as over." "Yeah, I heard that somewhere," Leilani replied, picking up her fork..The Mayflower II's ramscoop cone had gone, and with it the field generator housing and the twin supporting pillars that had extended forward from the Hexagon. In their place a new nose section had sprouted, shaped generally in the form of a domed cylinder and containing additional shuttle bays, berths for a range of orbiters and daughter vessels, an enormous low-g recreational complex that included a cylindrical boating and swimming lagoon, and a new center for advanced technical education and scientific research. Yet in the aftermath, Curtis is able to hear people."Yes, I did. Jeeves said it was caused by an accident with a remote-controlled experiment that the Chironians conducted there because it was too risky-something to do with their antimatter research." Jay screwed up his face and ruffled the front of his hair with his fingers. "But that's the kind of thing you'd expect somebody to say, isn't it?, and Chironians don't make a lot of mistakes." He looked around the circle of appalled faces staring back at him. "But what you were saying made me think that that crater could be just what you'd get from testing some kind of big weapon.Wellesley shook his head firmly. "Not if you, re talking about roughing up people in the streets. It would undo everything we've achieved.".Chapter 13.Merrick drew a long breath, and his expression became grave. "Mmm Walters. That brings me to the other thing I have to tell you," he said in a heavy voice. "Officer Walters is no longer with us. He and his family disappeared from Cordova Village two days ago and have not been 'heard of since. He failed to report for duty yesterday. We must assume that he has absconded. "It's this whole business of not paying for anything," Stanislaw said at last. "We come in here and drink, we go into restaurants and eat, we walk out of stores with all kinds of stuff, and none of it costs anything." He sat back, looked from side to side for moral support, got plenty, and shook his head helplessly. "It seemed too good to be true at first, but that soon wears off. It's not funny anymore, chief. It's getting to all of u-'.as well..that was just a little too hasty. "The last time we went to see the complex at Port Norday." Bernard stared blankly at him. Merrick seemed pained. "Don't tell me you didn't know. I went there with Walters and Hoskins a while ago. Didn't Walters tell you about it? ".Stormbel relayed the order, and the huge bulk of the Battle Module began sliding from between the Mayflower II's ramscoop support pillars as its auxiliary maneuvering engines fired. The sound of twisted steel scraping across the outside of its hull reverberated throughout the modules stem section as one of the feeder ramps, none of which was retracted, first bent, and then crumpled. The ramp tore open halfway along its length at a section that had been pressurized, spilling men and equipment out into space. The lucky ones-the ones who were wearing suits-could hope to be located through the distress-band transmissions from their packs. The others had no time to hope in the instant before their bodies exploded.. "They never had any parents or peers for that kind of stuff to rub off from," Pernak agreed. Too bright under the fat moon.."I don't even know what a paramecium is.".Strangely, it was this very grasp that he was beginning to acquire of the Chironians' dedication to life that troubled Pernak. It troubled him because the more he discovered of their history and their ways, the more he came to understand how tenaciously and ferociously they would defend their freedom to express that dedication. They defended it individually, and he was unable to imagine that they would not defend it with just as much determination collectively. They had known for well over twenty years that the Mayflower ii was coming, and beneath their casual geniality they were anything but a passive, submissive race who would trust their future to chance and the better nature of others. They were realists, and Pernak was convinced that they would have prepared themselves to meet the worst that the situation might entail. Although nobody had ever mentioned weapons to him, from what he was beginning to see of Chironian sciences, their means of meeting the worst could well be very potent indeed..hope..until she saw what had come in the container..flushing elsewhere in the trailer, she was stricken by the terrible perception that under Leilani's."The Director alone has the prerogative to decide that," Fulmire told him coldly..shouting.
