". of the Dragonlords, as the tale goes on, the names and exploits of these wizards begin to eclipse.. The idea of a school for wizards made him laugh. A school for wild boars, he thought, a college for dragons! But that there was some kind of scheming and gathering together of men of power on Roke seemed probable, and the idea of any league or alliance of wizards appalled him more the more he thought of it. It was unnatural, and could exist only under great force, the pressure of a dominant will.. the will of a mage strong enough to hold even strong wizards in his service. For a half millennium or longer, men ambitious to work the great spells of magery bound themselves to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived under this spell of chastity from the time they entered the Great House and, if they became wizards, for the rest of their lives.. During the voyage, however, he talked several times with Dragonfly, which made Ivory a bit uneasy. Her ignorance and trustfulness could endanger her and therefore him. What did she and the bagman talk about? he asked, and she answered, "What is to become of us.. ". up and got to her feet, looking dull and dazed. They were standing around her, a kind of guard.. The Herbal, and I too, judged the Summoner dead. We thought the breath he breathed was left from some spell of his own art that we did not understand, like the spell snakes know that keeps their heart beating long after they are dead. Though it seemed terrible to bury a breathing body, yet he was cold, and his blood did not run, and no soul was in him. That was more terrible. So we made ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have summoned myself again into life, to do what must be done.. ". "Then I'll carry the cheeses to Oraby," she said, "and sell em there. In the name of honor.. ". She walked with the dead, sometimes," Ayo said very low. "In the forest, down towards Faliern.. ". He bowed. "Ivory, of Havnor Great Port, at your service. May I -". "Shall we go?" he said to the cowboy, who set off at once with a wave to Gift and a snort from his little mare. The curer followed. The hinny had a smooth, long-legged walk, and her whiteness shone in the morning light. Gift thought it was like seeing a prince ride off, like something out of a tale, the mounted figures that walked through bright mist across the vague dun of the winter fields, and faded into the light, and were gone.. you again I'd do you a favor, if I could. As one finder to the other, see?". "Memory, memory," Hemlock said. "Talent's no good without memory!" He was not harsh, but he was unyielding. Diamond had no idea what opinion Hemlock had of him, and guessed it to be pretty low. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships and houses, purifying wells, and sitting on the councils of the city, seldom speaking but always listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and dying of South Port. Hemlock was glad to let him do so. His own pleasure was in studying and, as far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock said, and, "Knowledge, order, and control." Those words he said so often that they made a tune in Diamond's head and sang
